Digital Leaders at Chilthorne Domer Church School

New Recruits

This year we had some new recruits to the Digital Leader team at Chilthorne Domer Church School. To be a Digital Leader the children had to apply and explain why they should be in the 2024-2025 team. There were a range of applications including carefully written letters and even some amazing PowerPoints and slideshows demonstrating why they would be the best candidates. These lovely children were appointed and now wear their badges with pride:

Online Safety Assembly Thursday 5th December 2024

Today we did an assembly on how to stay safe when we are online. We watched a video called 'Help, I'm Lost Online.' We learnt that if you are watching a video or using an app online we need to make sure that An adult can see us, and if we see anything scary we know how to ask for help. We showed the school Building Habits poster from eLIM which reminded everyone how to stay safe online. Being close to trusted adult is always the most important thing when using a device.

Connie, Digital Leader
